

THE MARIST BROTHERS

News from the Novitiate of Save

Eight young novices from the two Provinces of P.A.C.E. and Madagascar made their official entry into the Novitiate with the taking of the habit on the evening of 12 November, in the chapel of the Novitiate of Save (Rwanda). The ceremony was directed by the Brother Master of Novices, Théoneste Kalisa, and the Brother Provincial, Valentin Djawu.

The event brought together a good number of Brothers from the different Marist communities in Rwanda: Novitiate, Save, Mururu, Rwabuye, Byimana, and our guests: the Brother Provincial, the Brother Councillor

General, Eugène KABANGUKA, and the Incarnate Word Sisters, companions in the mission of the Brothers in the Marist school in Save.

The novitiate is a time of initiation in the requirements of Marist religious life... (C.97)
