Welcome to the 2013 edition of The Marist Brothers Provincial Development Office Newsletter and Honor Roll of Donors! We hope you enjoy browsing through the pages to catch up on what has been happening in our Development Office over the past year.

While every year brings changes, some things remain the same — like our gratitude for our extended Marist Family of friends and donors. This annual “Thank-You Report” gives us an opportunity to express our sincere appreciation for your support of the Marist Brothers and our ministries.

Philanthropy is vital to the Brothers in order for them to continue to bring quality Christian education and programs to youth as well as care for our elderly and disabled Brothers. In fact, philanthropy has become so important that the financial support received from our friends and benefactors is now critical in helping us meet the ever-increasing costs each year.

In keeping with our annual tradition, we proudly include our Honor Roll of Donors. Along with its supportive narrative, we have attempted to convey our gratitude for your support of the Brothers. We are greatly encouraged in our life and ministry by your faith in us, your prayers for us and your gifts to us.

In our Marist schools, we pray each day:

St. Marcellin Champagnat, pray for us;
Mary our Good Mother, pray for us;
and let us remember, to pray for each other.

Please know you are remembered daily in the prayers of all our Marist Brothers.

Our best wishes,

Br. Hugh P. Turley, FMS, CFRE
Co-Director of Development

Paulette M. Karas, CFRE
Co-Director of Development
Each year in a spirit of gratitude and recognition we recognize new members to the LaValla League, in appreciation of their ten consecutive years of giving to the Marist Brothers Annual Fund appeal.

We chose the name “LaValla,” for this was the name of the village in southern France where the Marist Brothers began in 1817. “LaValla” embodies the sentiments of allegiance and of beginnings.

In gratitude for their kindness and generosity, each new member has received a unique, commemorative pewter medallion of St. Marcellin Champagnat encased in lucite.

This year we are proud to announce the addition of the following 85 new members, bringing the new total of LaValla League members to 1,019. Congratulations!

If you have included the Brothers in your will or other estate plan and are not listed above, please let the Development Office know of your legacy. Recognition as a Marcellin Guild member is a statement of our appreciation, and seeing you named among the men and women of the Marcellin Guild will proudly remind others of their potential to follow your example.
Rate Your Estate Plan

Here is a quick way to rate the effectiveness of your current estate plan. Add up your score and rate yourself on the plans you have made for disposing of your estate and protecting your beneficiaries’ security.

**Will/Living Trust.** Score ten points if you have a will or living trust. Persons who have revocable living trusts still need wills (to dispose of assets not placed in trust and to name executors or guardians). Add five points if you have stored your will or trust document in a fire-safe place and notified responsible people of the location. Add five points if you review your will or trust every year to ensure it remains up to date.

**Life Insurance.** Do you have enough protection for your beneficiaries? Does your life insurance still serve its original purpose? Score five points if you have reviewed your life insurance coverage in the last year.

**Health Care Decisions.** Give yourself five points if you have a living will or health care power of attorney (arrangements for making health care decisions if you are incapacitated).

**Disability.** Add five points if you have established a trust or general durable power of attorney that allows others to make financial decisions for you if you become incapacitated.

**Special Beneficiaries.** Subtract five points if you have not established trusts or other arrangements to provide for beneficiaries (if any) who need special care.

**Business Interests.** Subtract five points if you have not arranged for an orderly transfer of business interests (if any) at death, including payment of “death taxes.”

**Net Worth.** Add five points if you can estimate, within $20,000, your current net worth. If you expect that your estate will be subject to state or federal estate tax; subtract five points if you have not made plans for minimizing these taxes.

**Worthwhile Causes.** Give yourself two bonus points if you have arranged through your will, trust or life insurance to continue your support for worthwhile causes and institutions after death.

**Total Score**

35-42, excellent; 30-34, good; 25-29, fair; less than 25 (or if you had to subtract points), see an estate planning adviser at an early opportunity!

Through their combined efforts, over $30,000 was raised to help Marist missions around the world.

A special “Thank You” to Br. Rene Roy, Director of Missions for his dedication and time spent coordinating our Mission efforts with the dioceses and parishes across the United States.

Want to Double Your Gift?

Thank you for your support of the Marist Brothers and our ministries. Want to double your impact? You may already have the ability to do so. Contact your personnel or human resources department where you work and ask if your company is one of thousands that matches employee contributions. Through an employer’s matching gifts program you could double or even triple your gifts to the Marist Brothers!

The best part is it won’t cost you another penny to double or triple your next gift to the Marist Brothers. Your company will do that for you! Some retirees, as well as spouses, may also qualify...just ask.

Making a matching gift is easy. Depending upon your employer’s policy, matching gifts can be made in one of the following ways:

1) By obtaining a matching gift form from your employer and sending it along with your gift to the Marist Brothers.

2) By providing your employer with a receipt or acknowledgement letter from the Marist Brothers which substantiates the gift was made.

3) If your company has a phone or internet matching gifts program, please indicate that you have arranged for such a match when you send in your gift.

Thank you!

The Marist Brothers appreciate the opportunity and support given us by the following Arch/Dioceses to speak in their parishes on behalf of our Marist foreign missions.

| Arch/Diocese of Bridgeport, Connecticut | Diocese of Newark, New Jersey |
| Archdiocese of Springfield, Massachusetts | Archdiocese of New York, New York |
| Diocese of Worcester, Massachusetts | Diocese of Youngstown, Ohio |
| Diocese of Metuchen, New Jersey | Diocese of Pittsburgh, Pennsylvania |

SCHOOL MISSIONS

Each of our schools is active in sponsoring activities to fund mission projects in the United States and abroad. They are living and acting on St. Marcellin Champagnat’s dream to help those most neglected. During the past year the following schools have sponsored activities to specifically benefit our Marist missions throughout the world.

Archbishop Molloy High School
Briarwood, New York

French National Honor Society of Marist High School
Chicago, Illinois
Recently, I returned from a visit to the Province of East Central Africa as part of my preparation for the Marist Brothers’ General Conference, which will be held at the Hermitage in France this coming September. The Marist Constitutions describe the General Conference as a consultative assembly, composed of Provincials and District leaders, that has two objectives: to strengthen the unity of the Institute and to study questions of general concern and to propose ways of answering them. At this gathering, Marist leaders will reflect on the calls of the XXI General Chapter and share ways that the various Provinces have attempted to give “flesh” to these calls.

During my visit to Marist schools in Kenya and Rwanda, I marveled at the work the Brothers and fellow Marists have been doing to make Jesus Christ known and loved. With limited resources, the Province of East Central Africa has been able to provide a solid Christian education to thousands of young people who otherwise would not have the opportunity. My visit also gave me a chance to once again reflect in gratitude on what we Marists in the United States Province have been doing to strengthen our mission to those we serve.

This past April, the presidents and board leaders of our Marist-founded and Marist-sponsored apostolic works met for a full-day conference at Marist High School in Bayonne, New Jersey. In addition to Camp Marist, the following schools were represented: Archbishop Molloy, Central Catholic, Columbus, Guadalupe Middle School, Marist Bayonne, Marist Chicago, Mount St. Michael Academy, Roselle Catholic, St. Joseph Academy, St. Joseph Montvale and St. Agnes Boys High School. The workshop included presentations on effective board leadership and the role of the board in the Catholic and Marist mission and identity of each institution, a panel discussion with the Provincial and Council on the role of the Marist Brothers in governance, and two roundtable discussions on finances and on fundraising.

This coming September, we will institute an international initial formation program here in the United States as we welcome Mr. Sam Amos from Flint, Michigan, and two other young men from our Marist Province in Australia. This decision is the result of the serious and prayerful consideration of how we might best welcome and form our new Brothers in light of present realities and future hopes. We see this as an important step for our future Brothers as we look for ways of offering them the formation they will need to live the charism of Marcellin into the future. Please join us in praying for this significant collaborative effort between the two Provinces of the United States and Australia as we continue to respond to the needs of the times.

Please know that the Marist Brothers remember your generous support which has strengthened our mission, and we value your commitment in “making Jesus Christ known and loved” through the Christian education of youth. We are aware this wonderful mission, handed over to us by Saint Marcellin Champagnat, will require new Brothers and Lay Marists who will dare to lead us “in haste” into the new lands of our future with Mary and Marcellin as our models in following Jesus Christ.

For all that you have done and continue to do for us, know that the Marist Brothers are grateful. Please be assured of my good wishes and prayers for you and for your loved ones, and may God bless you always!

Sincerely,

Br. Ben Consigli, FMS

First Gifts of the New Year

Annually in January, the Marist Brothers send a personalized gift history statement to our donors with their giving history for the previous calendar year. At that time, we offer the opportunity to make a first gift of the New Year to the Brothers. This year 278 of our friends generously responded with gifts of $25,197. What a wonderful way to start the New Year!

Spring Retirement Appeal

This past spring, 951 members of our Marist Family responded to our need for retirement assistance, contributing almost $90,000 to help care for our elderly and disabled Brothers. The Marist Brothers could not meet the cost of health care for our senior men without your generosity and support. We are grateful to you for helping us care for these men who have dedicated their lives to educating and mentoring young people. Thank you!

Every Gift is Deeply Appreciated...

The Marist Brothers are proud of their mission to bring Christian education to young people, especially those who are most neglected (Marist Brothers Constitutions, Article #2). While there are many worthwhile charities seeking your financial support, the Marist Brothers are sincerely grateful and thankful that you have chosen to include us in your philanthropy. Your gift, no matter the size, makes a real difference and is important to our ministry.
The Marist Brothers offer two different series of Remembrance in Prayer cards: Traditional cards and All Occasion cards. We have recently updated our signature Traditional card featuring the image of Christ and introduced a new Traditional Marial design. Both of these Traditional cards may be used as memorials to remember the deceased. Our two All Occasion cards may be sent in honor of a birthday, wedding or anniversary or to send get-well greetings.

All cards carry a special promise of Remembrance in Prayer from the Marist Brothers. We would be delighted to send you a complimentary packet of our new Traditional cards or refresh your supply of All Occasion cards. Please send your request through email (maristbr@aol.com) or to the address on this newsletter.
